

Who are we?

The SA Jewish Report, South Africa's only national weekly Jewish newspaper, is a direct channel to understanding and reaching a valuable upmarket segment - (LSM 9 - 11) - which has major spending power and a hunger for a quality lifestyle. The SA Jewish Report, a free publication, is the mouthpiece of SA Jewry - and a forum for diverse opinion.

The Jewish Report provides high-quality content which keeps our readers up-to-date on community issues and well-informed on local, national and international news, the arts, sport, literature, politics, youth and social events.

Why advertise in the SA Jewish Report?

- **Reach a well-to-do captive audience** - Your company will be exposing its brand to over 50 000 readers including business people, professionals and community members in a publication which has evolved over the past 11 years.
- **Convenient strategic circulation** - Available at no charge through our very effective targeted national distribution points; major retail outlets, delis, bookshops, schools, synagogues and community organisations. Individual subscribers pay for the convenience of having it delivered to their doorstep.
- **E-mail version** - Many readers subscribe to our weekly e-mail version of the newspaper.
- **Adverts viewed online** - Complete current and past issues, read locally and overseas on our website.
- **Our readers** - An affluent community, loyal and committed which can be very supportive of your brands.
- **Certified** - We boast a large VFD (Verified Free Distribution) through major retail outlets and are ABC Certified.
- **Contract rates** - As repeat adverts are obviously more effective to establish a brand or service, we offer very attractive discounted rates for direct contracts booked.
